Thursday, 19 July 2007

The parent, the mother especially, who holds that her children's rule of life must be "Children obey your parents for it is right"; certainly secures obedience, as she secures personal cleanliness, or proper habits at table, because she has a strong sense of the importance of these things. As her reward, she gains for her child the liberty of a free man, who is not under bondage to his own wilfulness nor the victim of his own chance desires. — Charlotte Mason
